MECHANICAL ENGINEERING SCHOOL, BANGALORE.

Notification No. 78, dated 15th April 1922.

(PROSPECTUS.)

1. Instruction is imparted in Mechanical and Electrical Engineering and has been divided into two grades—higher and lower. Students who have completed their courses in sixth or higher forms taking Science or Mathematics as optional subjects are eligible for admission into the higher grade, while those of lower forms will be admitted to the lower grade.

2. The complete course covers a period of 3½ years of which 2½ years will be spent in the school in attending lectures and practical work in the school workshops, arrangements being made during the last year for their training in some of the large workshops, mills, etc., in and outside the State.

3. Each year the session commences on the 1st Monday in July and consists of two terms, the first ending with the Christmas holidays and the second with the close of June following. The usual hours of attendance are from 7 to 11 A.M., and 2-30 to 4-30 P.M.

4. The number of students that can be admitted each session will, for the present, be 75, of whom 25 may be from outside the State.

5. No tuition fees will be levied for the regular classes from students who happen to be Mysoreans, either by birth or domicile. Others have to pay a fee of Rs. 3 per mensem along with Rs. 20 per year for the workshop practice. Students should provide themselves at their own cost, text-books, note books and the necessary drawing instruments. Workshop tools, drawing boards, T-squares and set-squares will however be provided by the school, which should be returned in good order when the student leaves the school. The students will, however, be held responsible for all breakages, loss, etc. A security deposit of Rs. 10 will be collected from each student, returnable to him on the completion of his course after deducting all dues from him, if he is a Mysorean. In the case of an outsider, a sum of Rs. 15 will be collected, returnable to him on the same terms.

6. Students desirous of practising in one or more branches of the school workshop or of attending the theory lectures alone in any particular subject or subjects taught in the school are also admitted. A fee of Rs. 3 per month is levied from such casual students.

7. A class is also tentatively open to train men in the mere driving of motor vehicles within a short period of six months. A small fee of Rs. 10 is charged for the course, with the proviso to extend the period in special cases, on payment of an additional fee of Rs. 5 per mensem subject, however, to a total period of eight months.

8. A fee of Rs. 4 per annum is payable by each student as his subscription to the Athletic Club and the Technical Students' Association.

9. Twenty scholarships, each of the value of Rs. 8 per mensem are available to Mysoreans in regular classes. While on practical training, the students may get a subsistence allowance.

10. Applications for admission to the school, which shall be in the candidate's own handwriting, must be sent to the Superintendent of the School, so as to reach him on or before the 10th June, on forms which can be had from him. The application should be accompanied by four certificates: (1) Certificate of age from the parent or guardian that the applicant is between the years 15 and 18, (2) Certificate of character from the Head Master of the School in which he was studying last or from any gazetted officer of Government, testifying to his general good behaviour while in the school, (3) Certificate of having passed the Mysore Lower Secondary Examination in English and also class certificate of having finished the Fourth Form course.

11. A list of the selected candidates will be put up on the notice board of the school on or before the 25th of June every year, and the selected candidates will also be informed separately.
